Dear June-

Well honey at last I got a letter from you. It surely did surprise me too. I guess I had about decided you were not going to write. I don't know what could have happened to the letter you sent. Any way honey girl I did get the lost one. And I surely am glad. How are you little girl? You didn't say a word about yourself. And I surely do want to know how you are. I have been here a month tomorrow. Worked this week don't know if it will be any longer or not. Been working on a sandwich counter at the Hamburger. See honey I have been thinking of you lots. Wondering where and how you are. Stayed in Fulton two days after you left. Was I lonesome. Honey I'll say I was. That old flat was like a tomb. Was in Chicago two weeks

I kept looking for you. But some how
I had a feeling that I wouldn't see you.
See honey sweetheart I sure do miss you
you really are a wonderful girl and I
felt kinda like I had known you always.
Are you staying at Cooper for a while honey
Do you have any idea I could get anything
to do there? I sure would like to come
on and see you. You know honey how
I used to put my arms around you and
kiss you. I mustn't think about it. It makes
me feel bad. Because I can't do it tonight.
I know I wasn't very good company but
honey I really did enjoy a conversation
with you. Did you have a nice fourth?
I hope you did. I worked until 3 a.m.
on the 5th. But then I really didn't mind
so there was no one here whom I could
go around with for a good time.
It has been terrible hot here 111° and 112°
two or three days 99 to 107 is common
temperatures. So you may know it really

I am sure I am going to enjoy life

Dolores. Do you want to place your baby in a good home where he will have the right environment and a chance in life.

I need \$50,000. For that sum I would take your baby and raise him. I am ~~well~~ qualified having three children of my own. I am 35 years old.

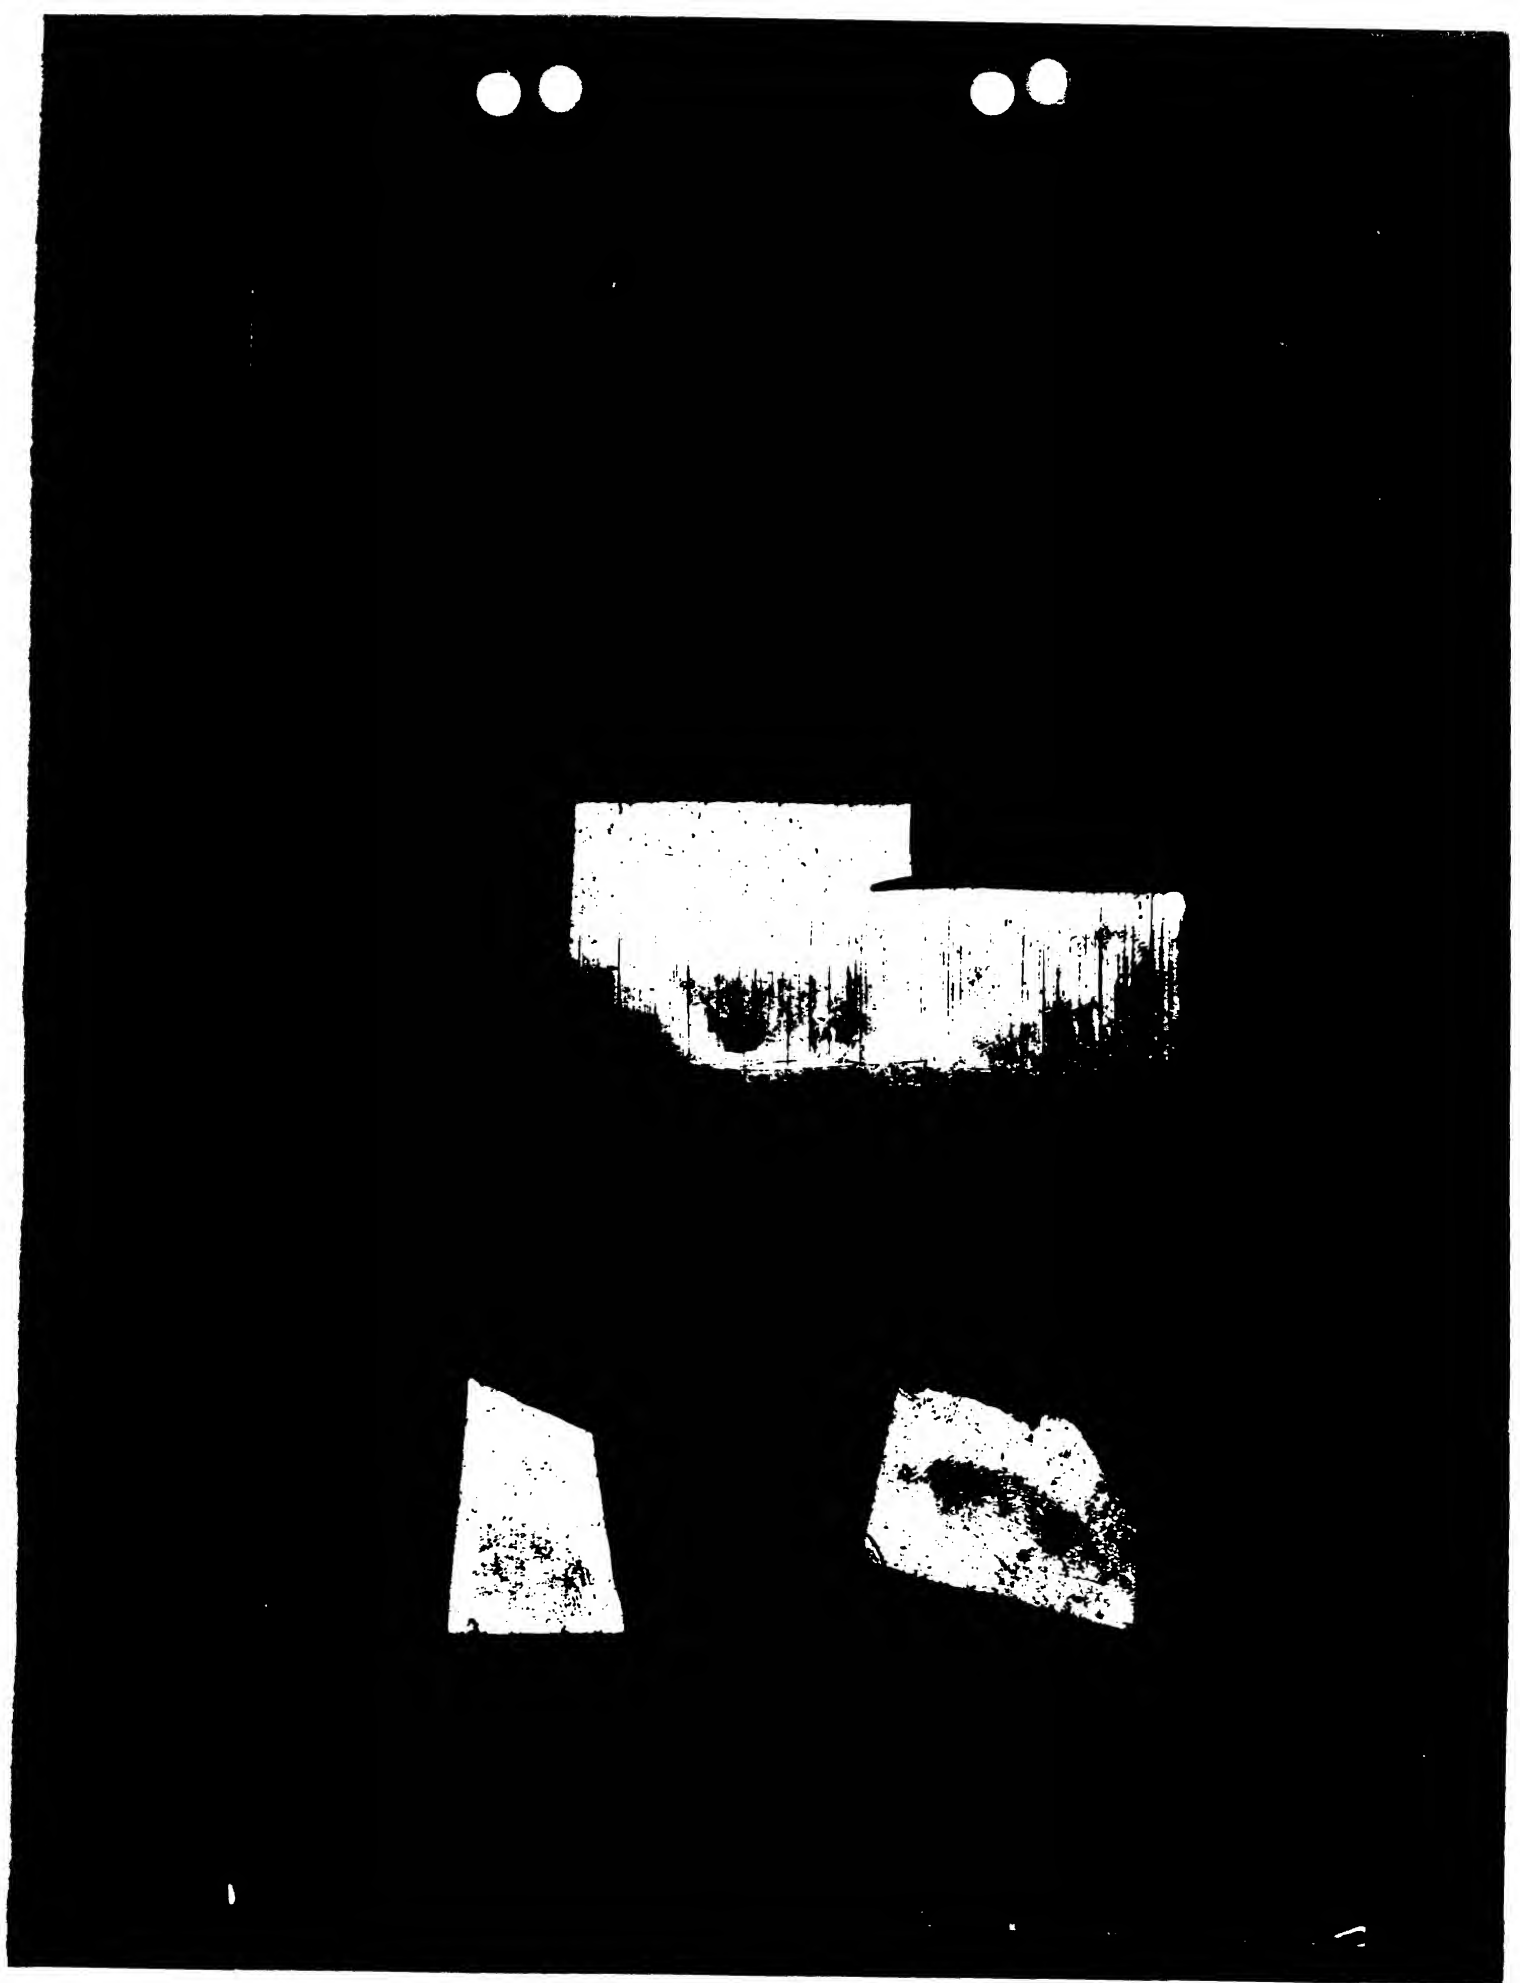

We are well respected & well known in our community for that reason I do not want any publicity whatsoever in connection with my offer. If you consider this proposition correspond with me through the personal column of the Kans. City Star by addressing me "Marie"

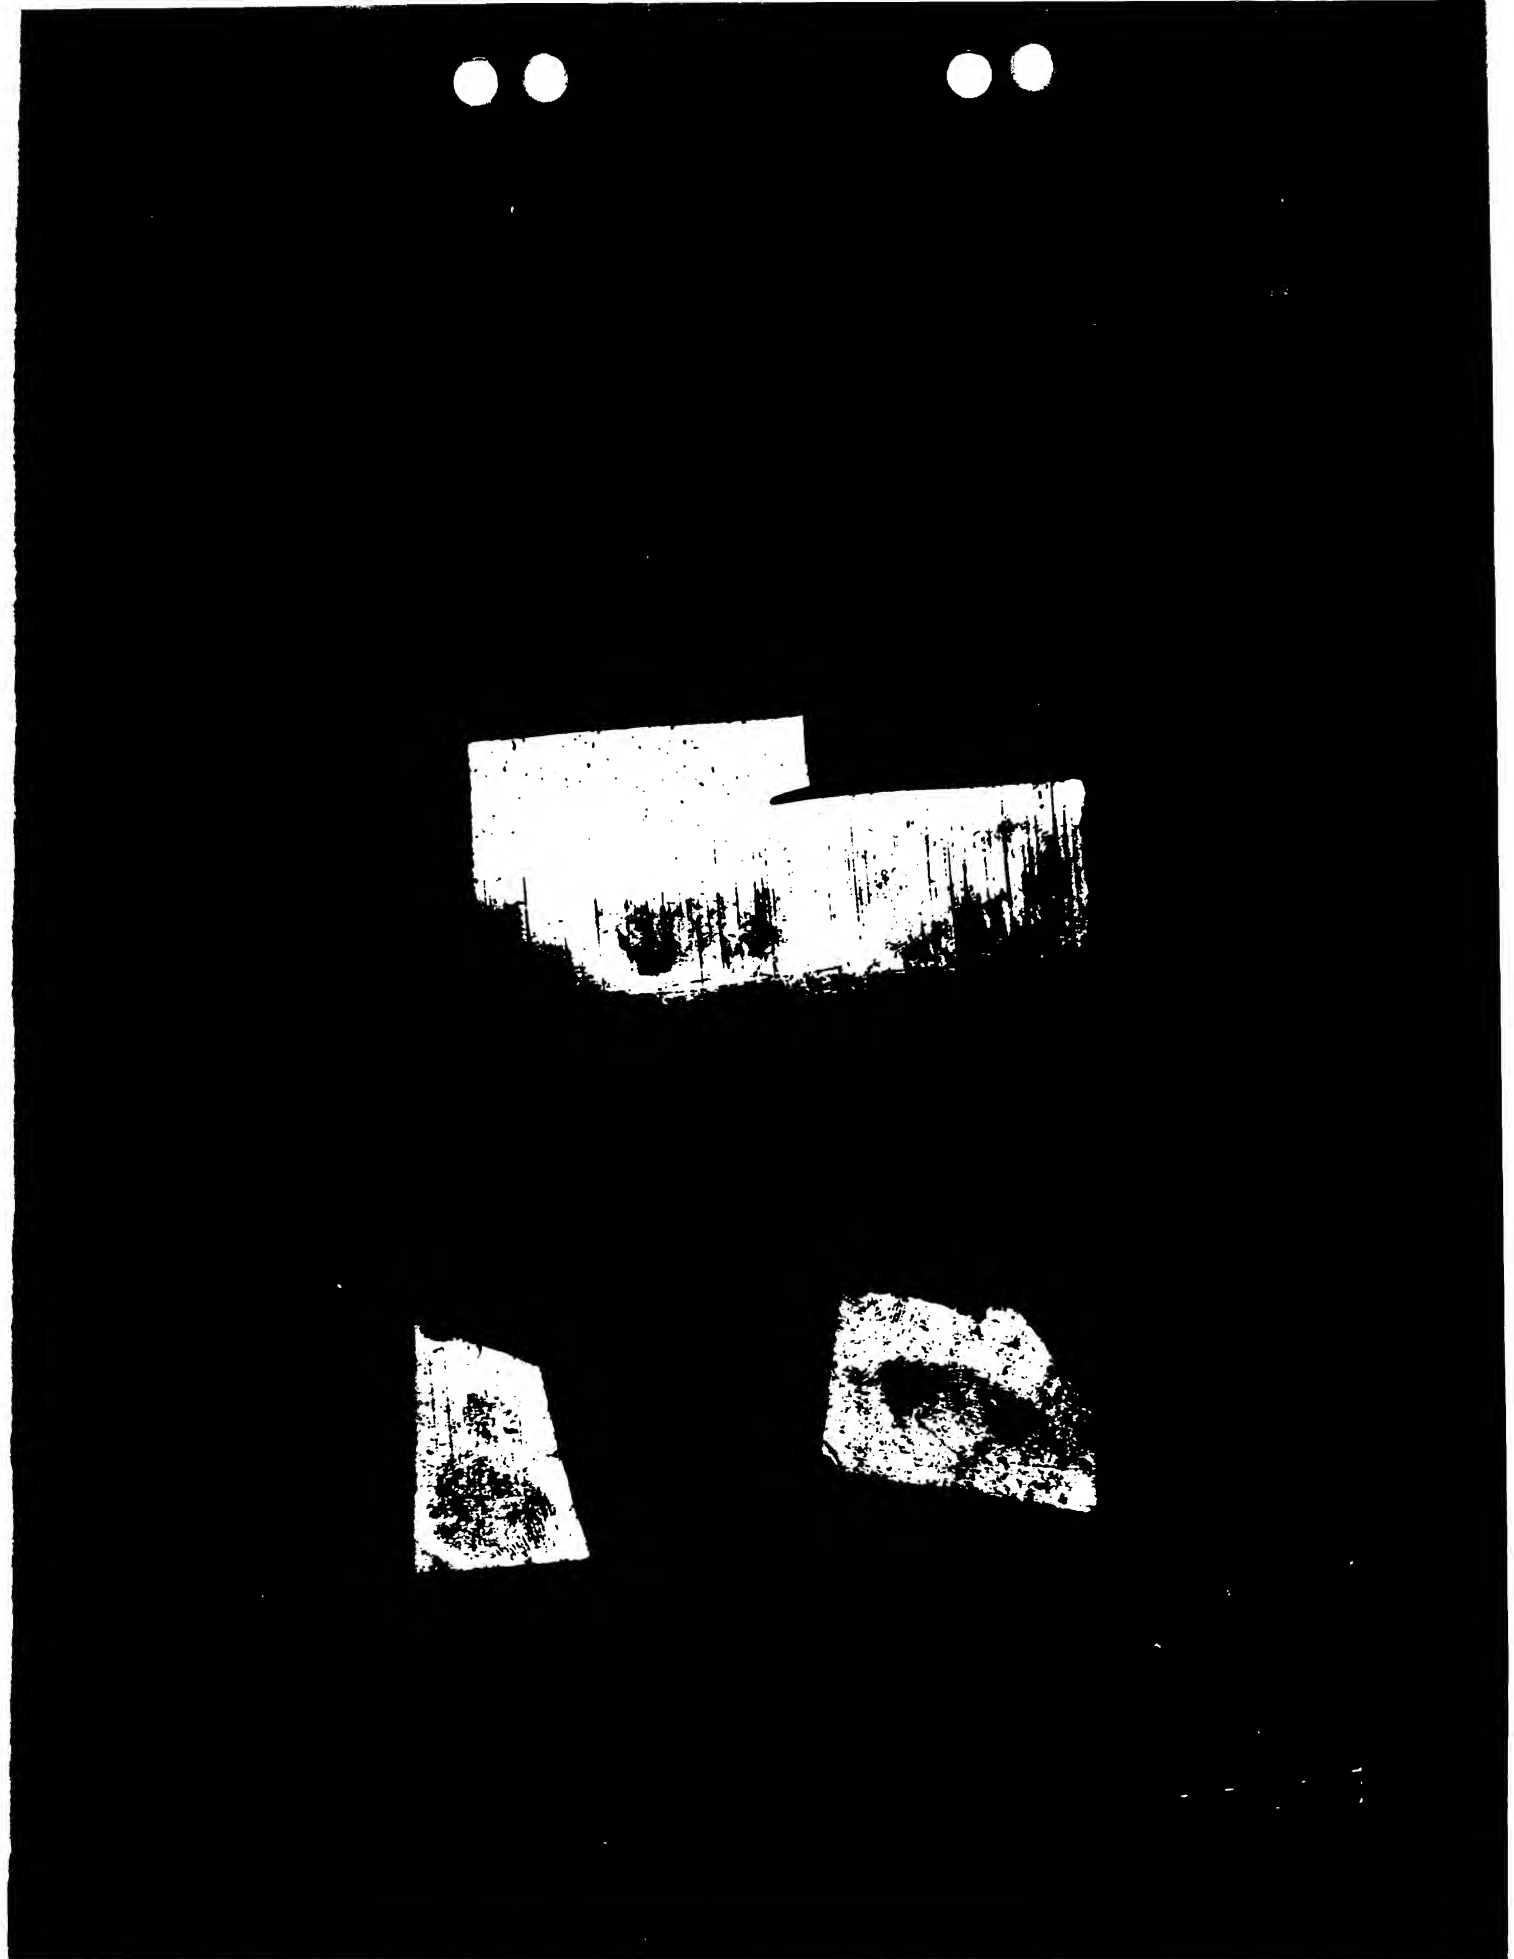

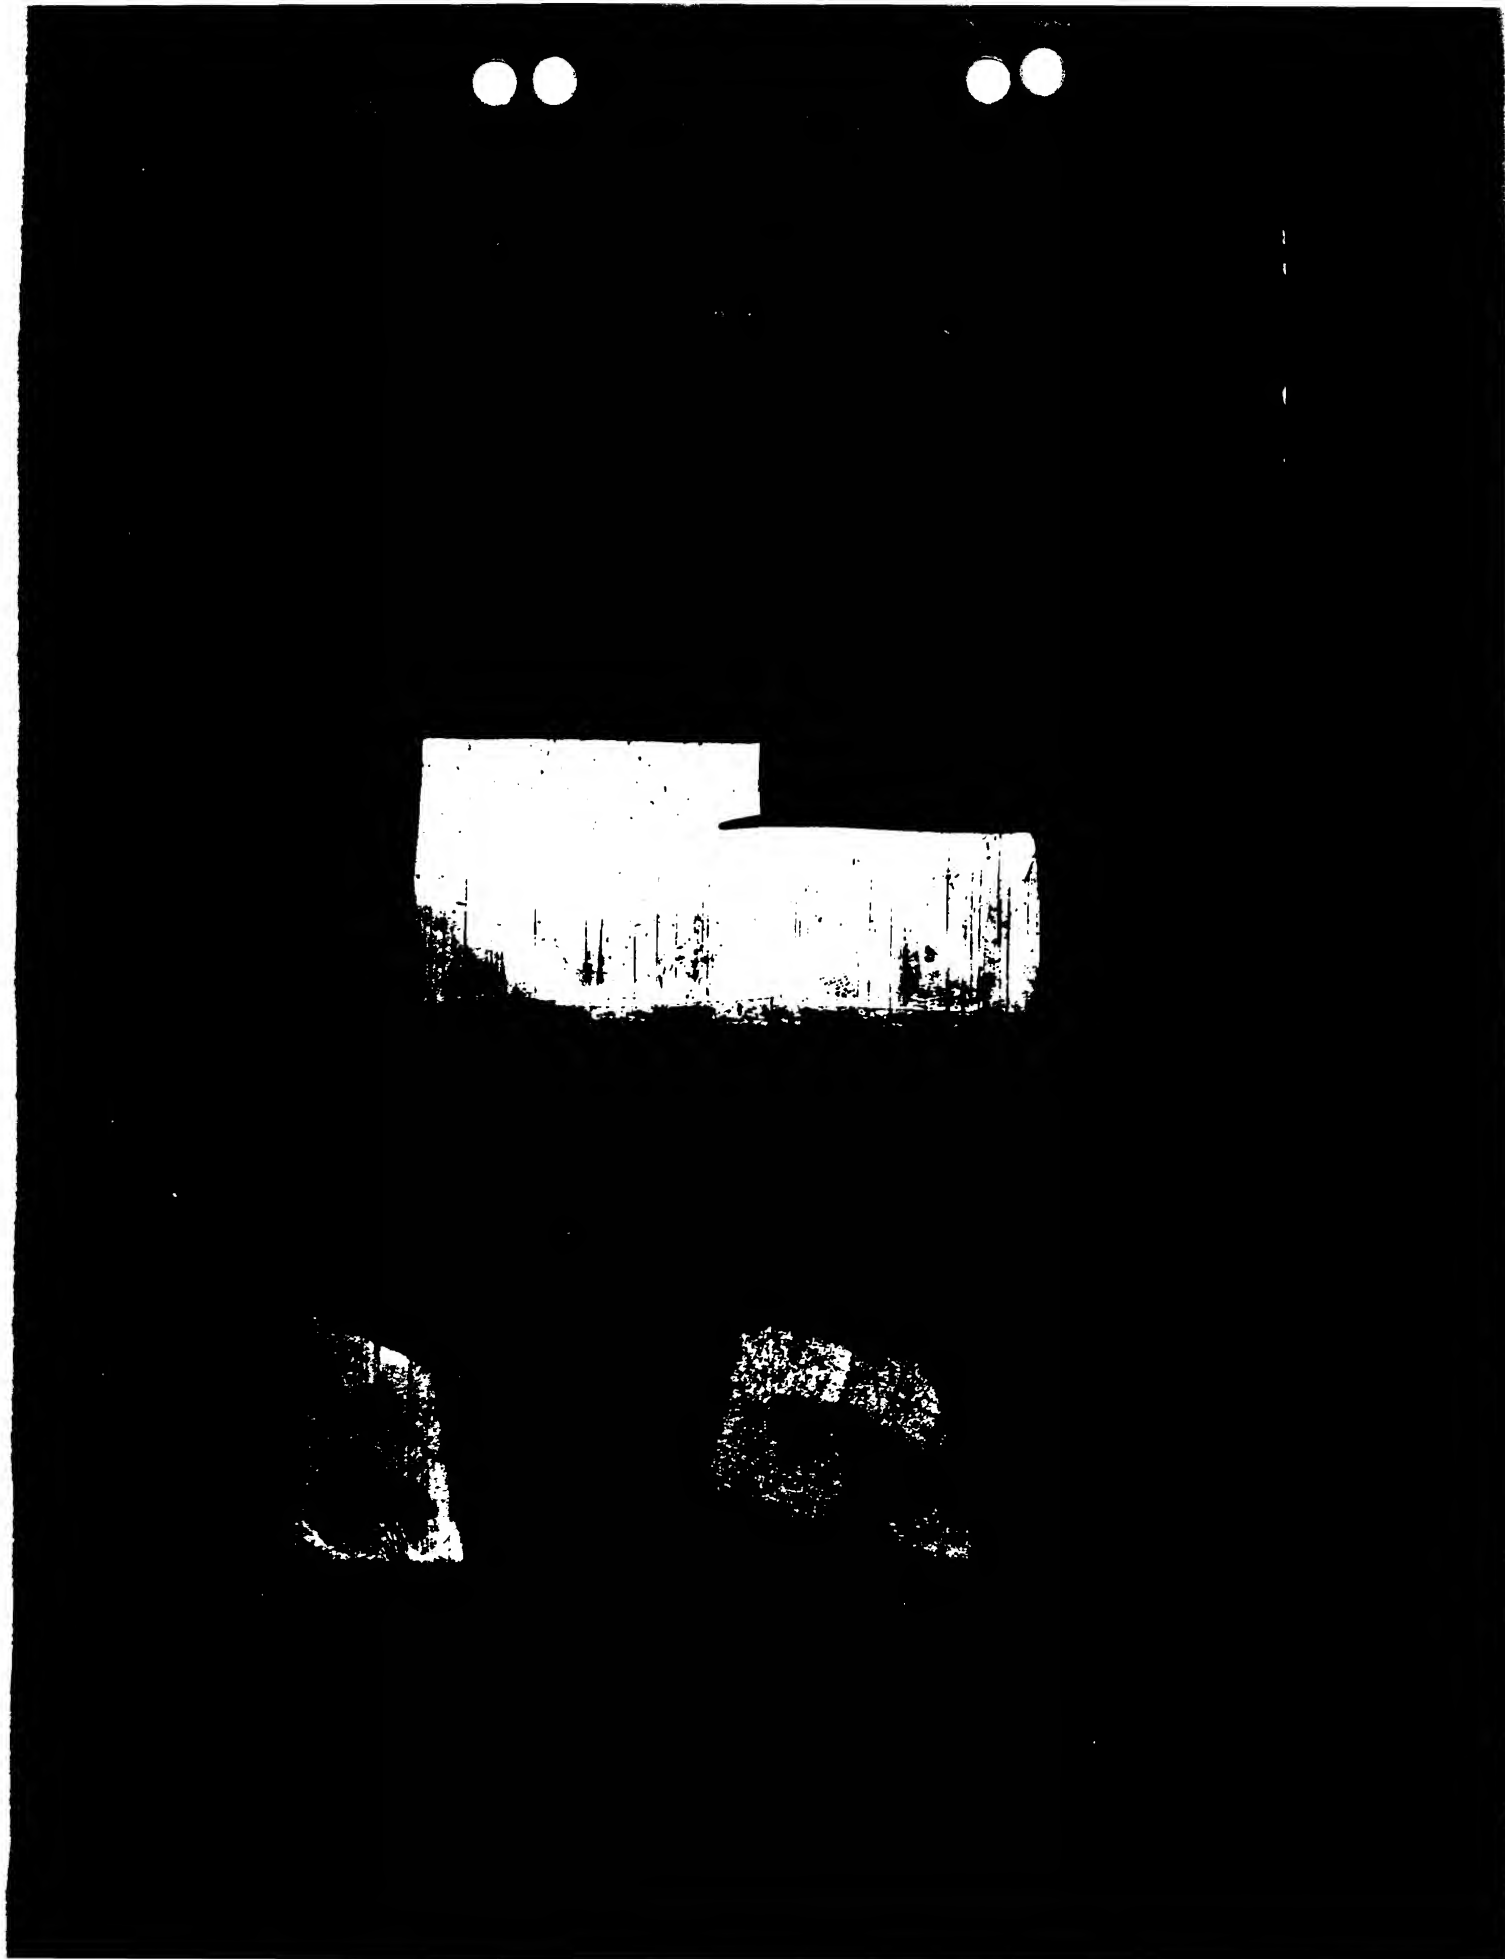

Chas. McGee

If you can wait O K. with us. You people shot a lot of cures
trying to get somebody killed then the copper's will be heroes
but Eddie will be the marter. The copper's think that's great
but Eddie dont.

Were done taking the draws and you can go fuck yourself now.
From now on you make the contact. Better not try it till you
pull off every copper, newspaper, and radio station. From now on
you get the silent treatment until you reach us some way yourself.
Better not wait too long.
